## WHEN SISTERS FIGHT

A SOURCE OF SUPPORT TO HELP CHILDREN  
UNDERSTAND THE DIFFICULTIES OF LIVING  
WITH DISSOCIATIVE DISORDER

A STORY ON DISSOCIATIVE DISORDER

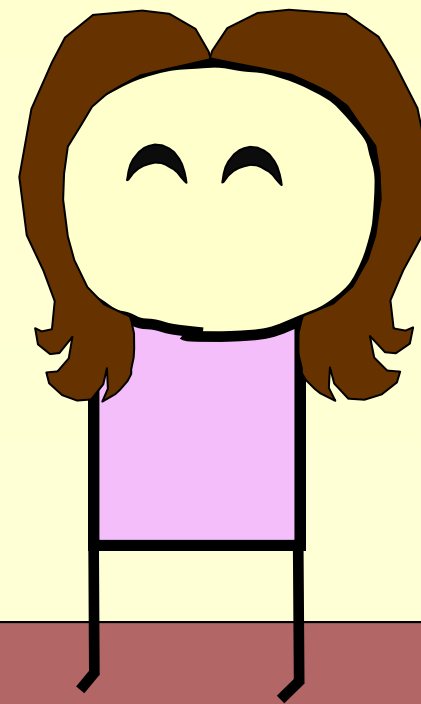

BY EMILY PEARSON

I have lots of sisters

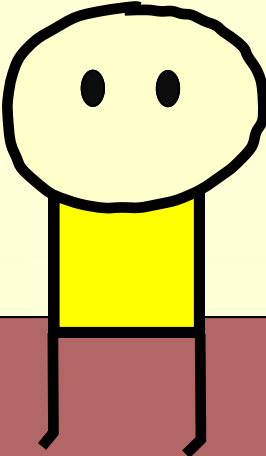

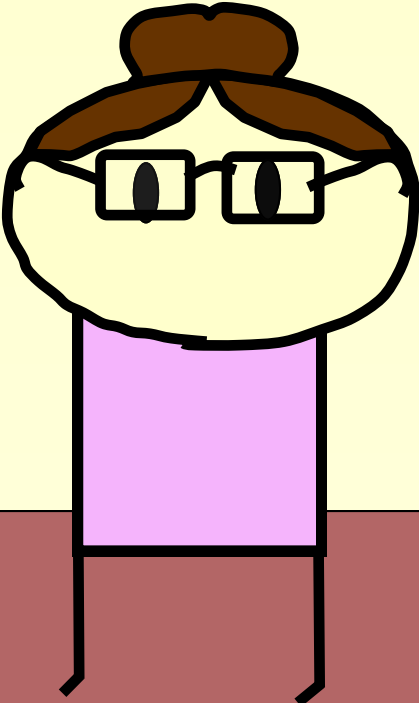

There's Clara

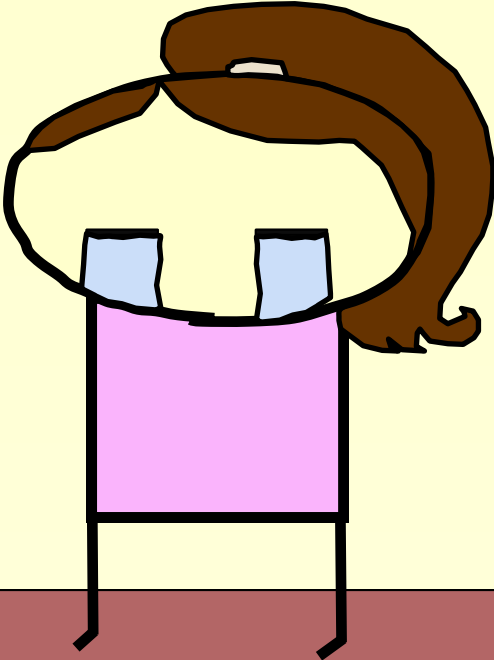

And Lucy

There's Trixie

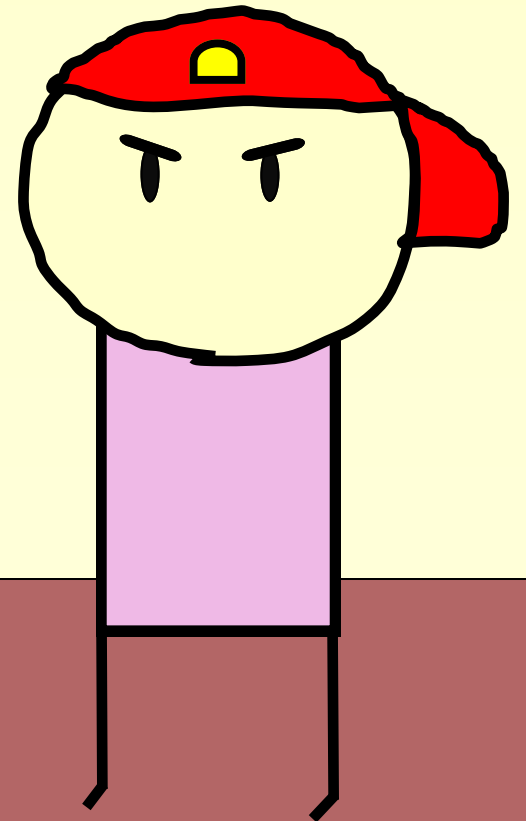

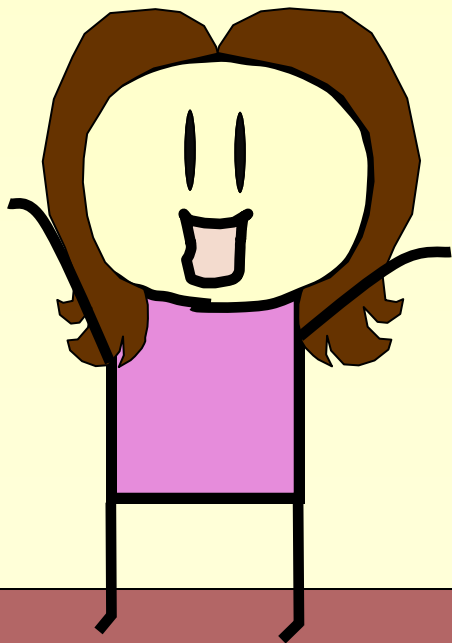

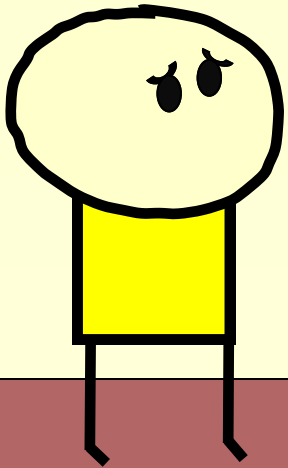

And Taylor

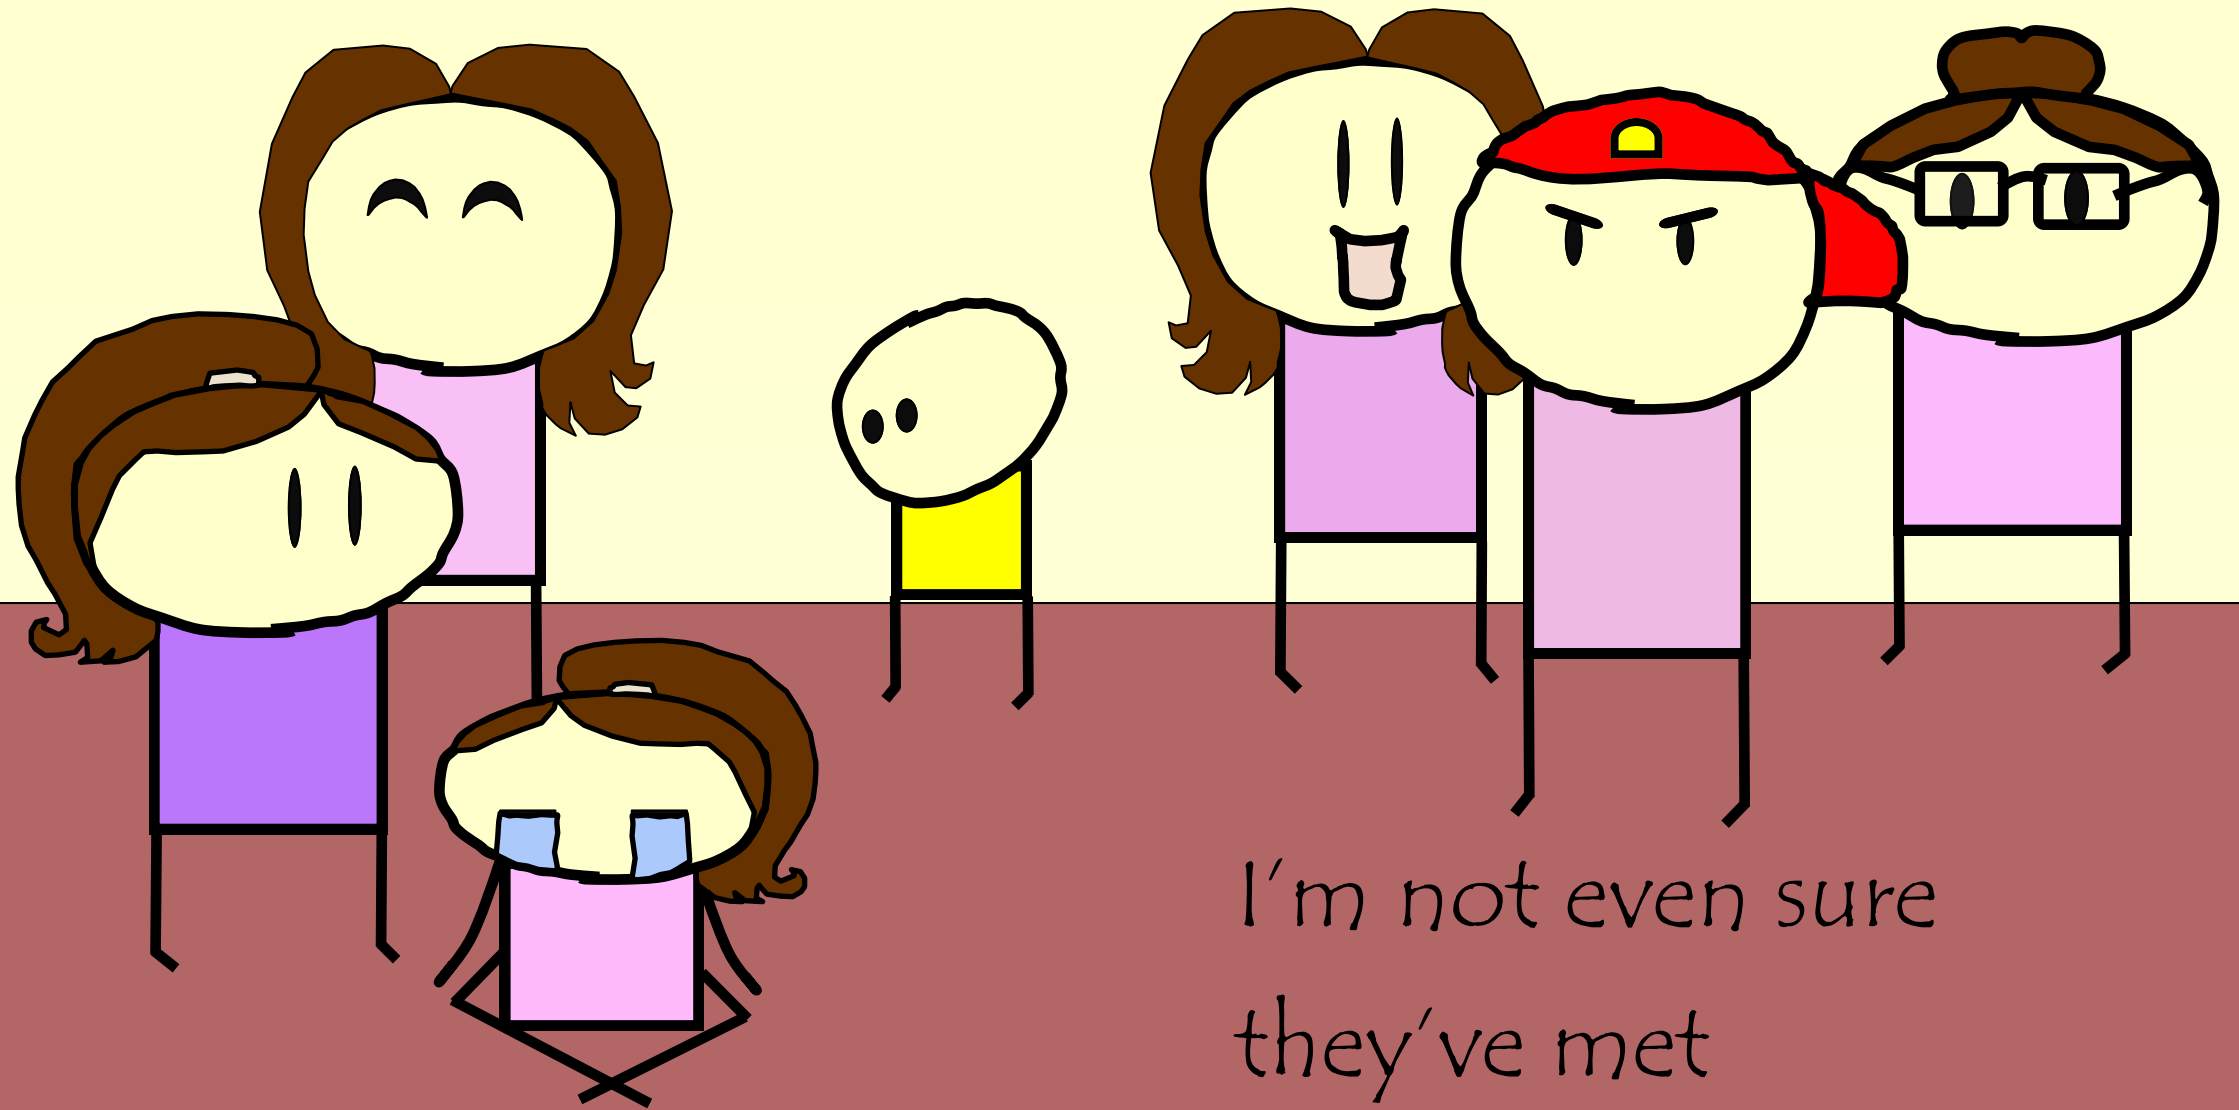

And a brother called  
Michael

And  
Ellie

But I don't think they  
know..

That they live  
together

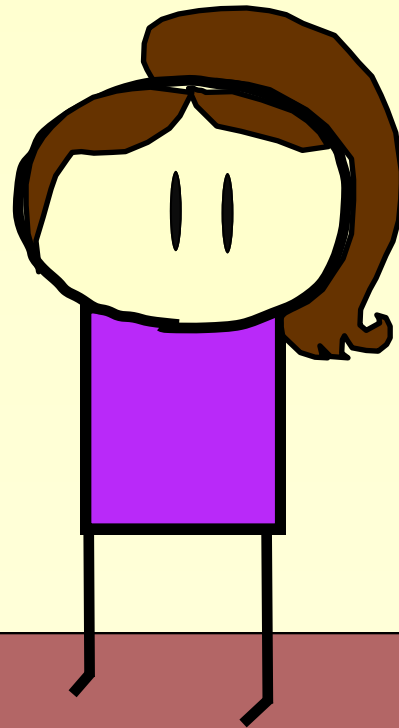

I'm not even sure  
they've met

But they

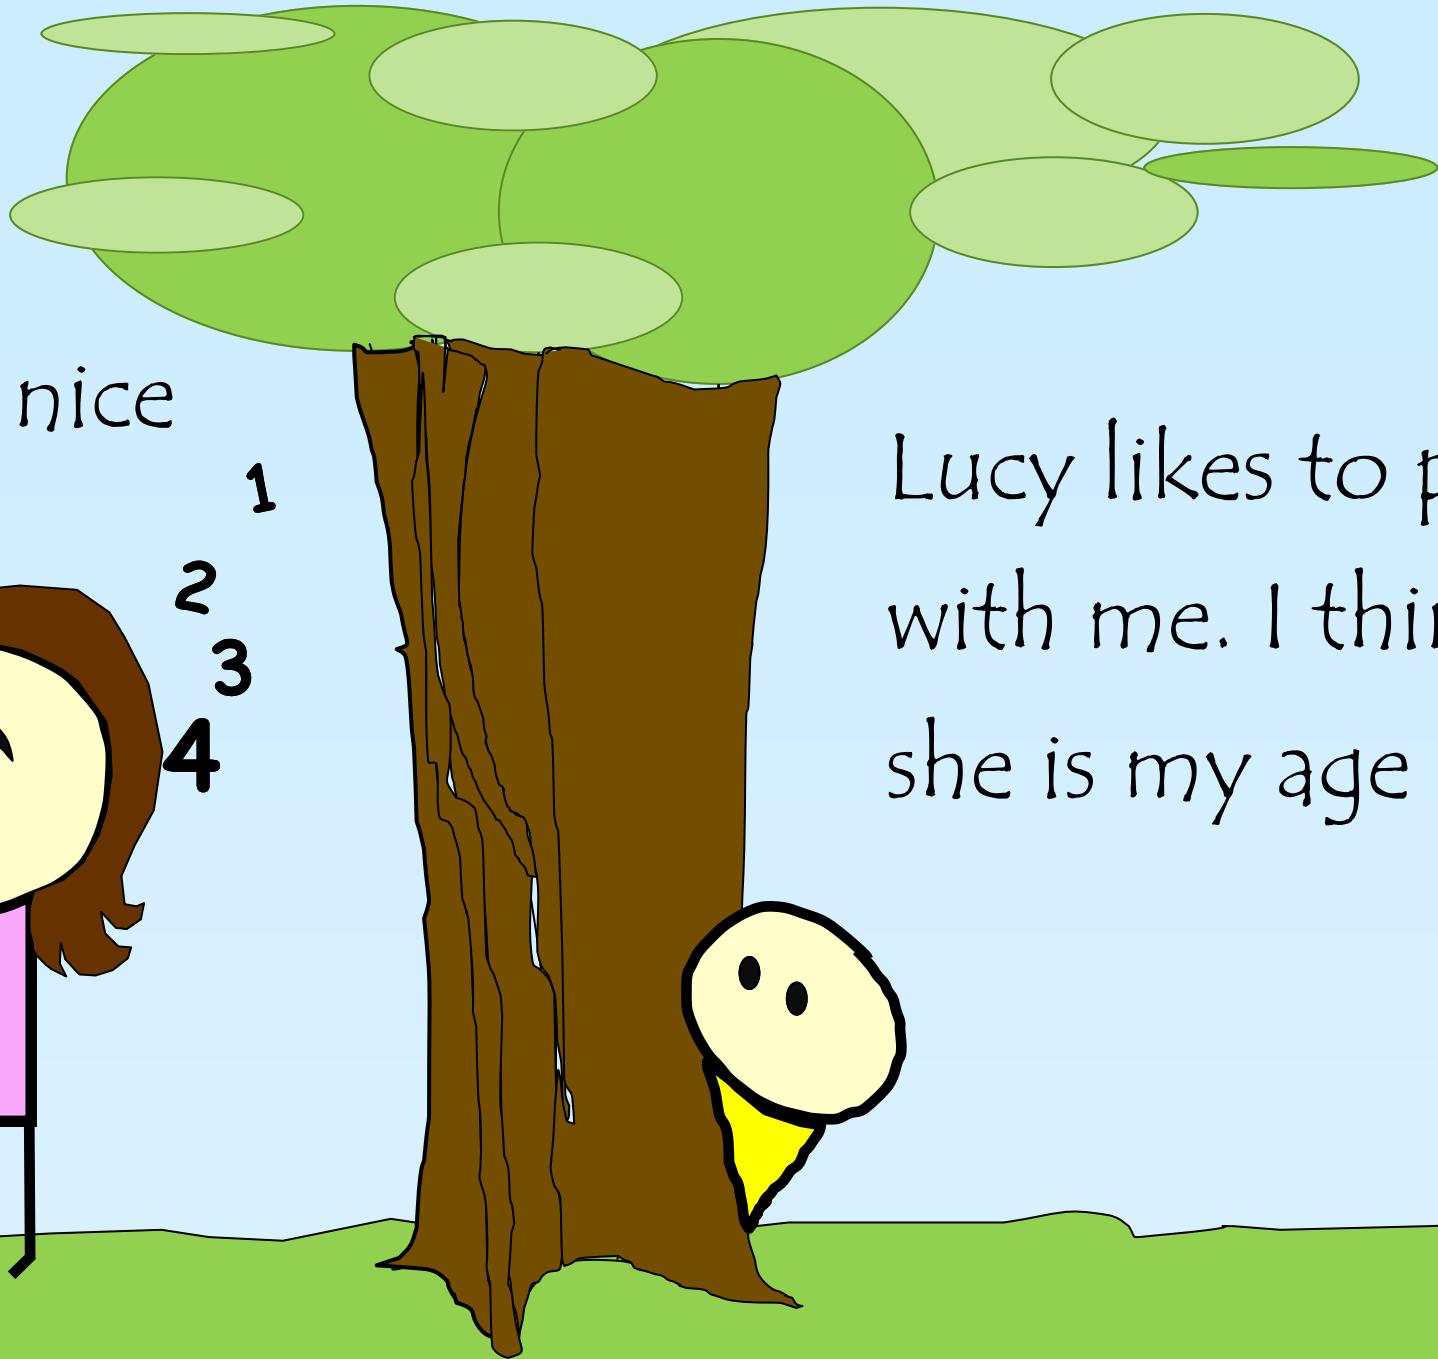

all live

in Clara

And they're all real.

Some of  
them  
are really nice

Lucy likes to play  
with me. I think  
she is my age

But some of them don't  
want me around..

And do bad  
things that  
Clara  
wouldn't  
like while  
she's away

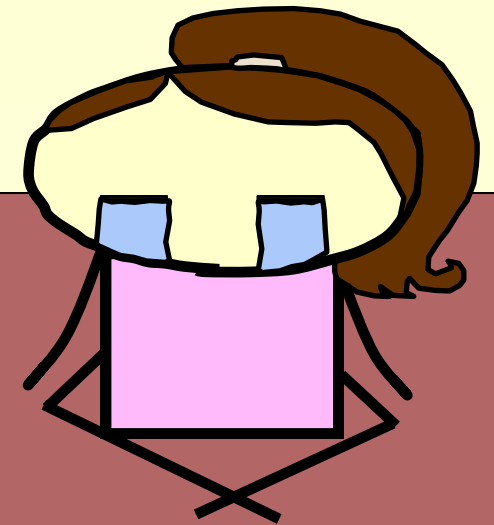

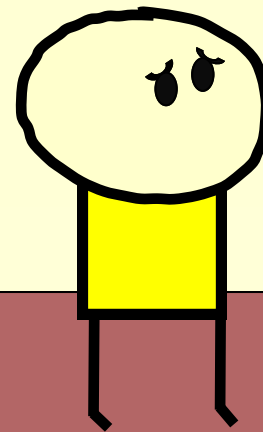

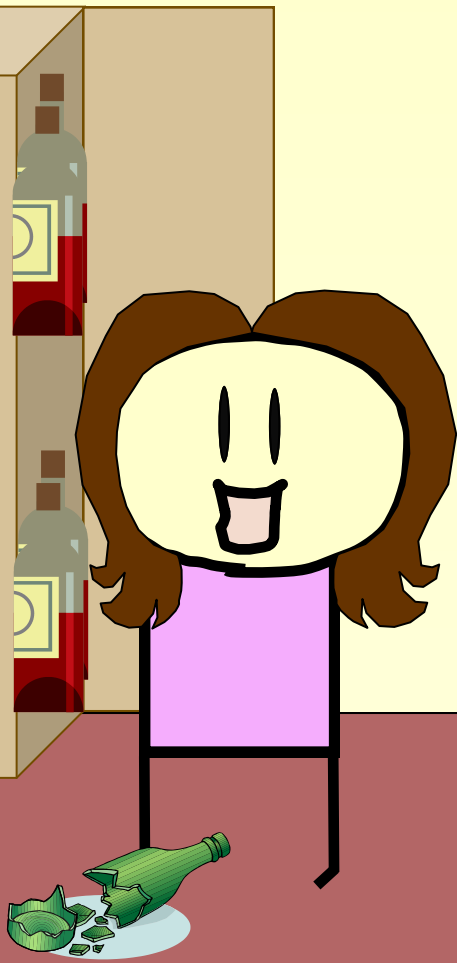

Like Michael saying bad  
words..

Or Ellie  
drinking  
from the  
adults  
cabinet..

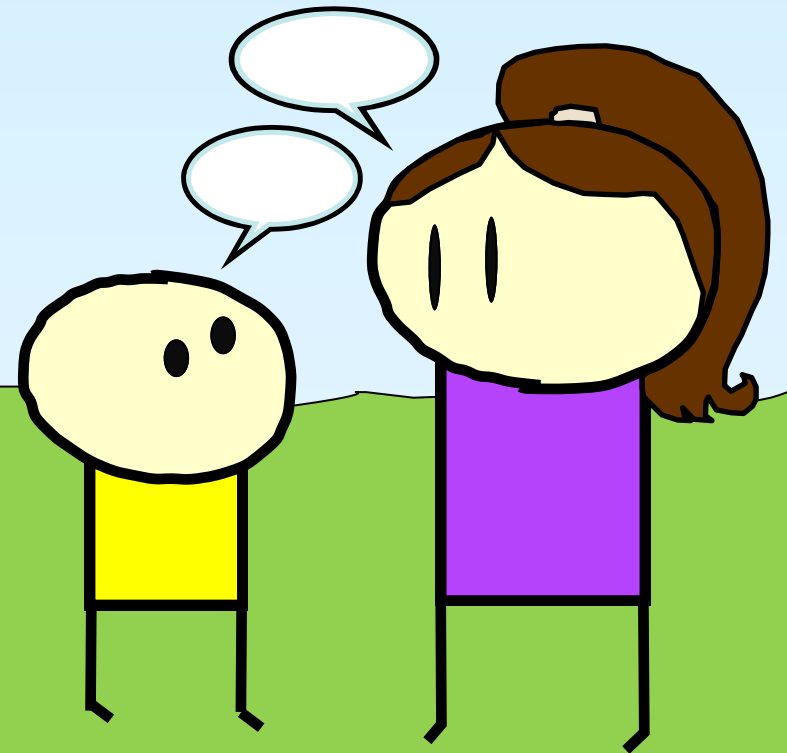

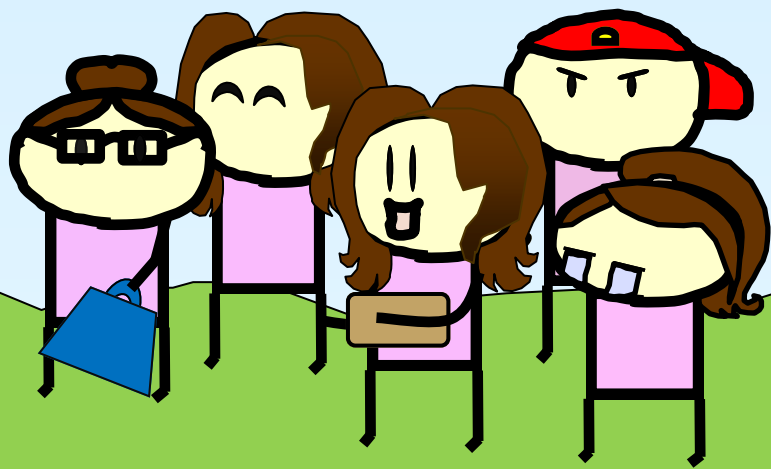

..And

I don't think Taylor  
likes Clara very much.  
She's always sad

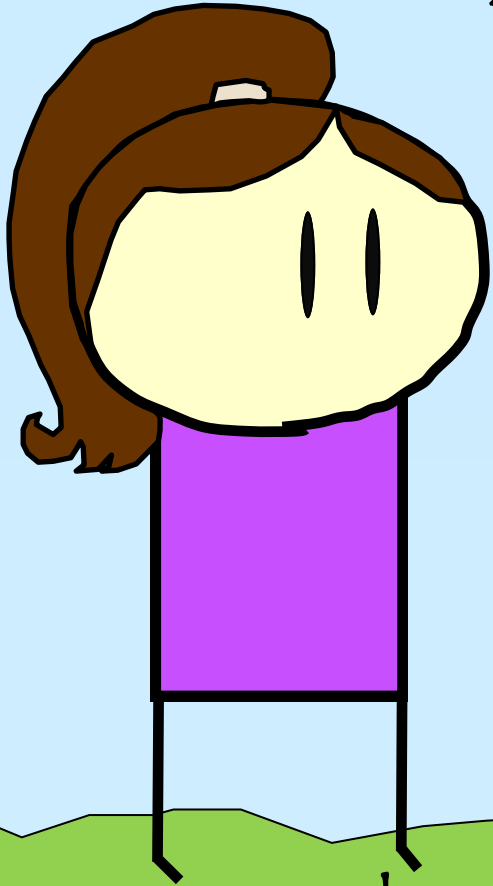

But I know they'll  
go away

When Clara wants to  
talk

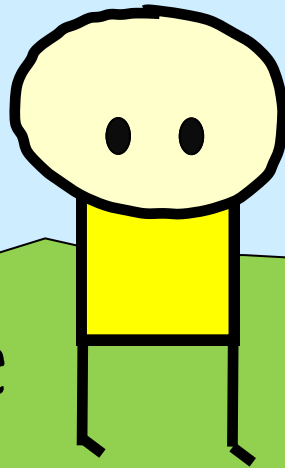

Sooner or later

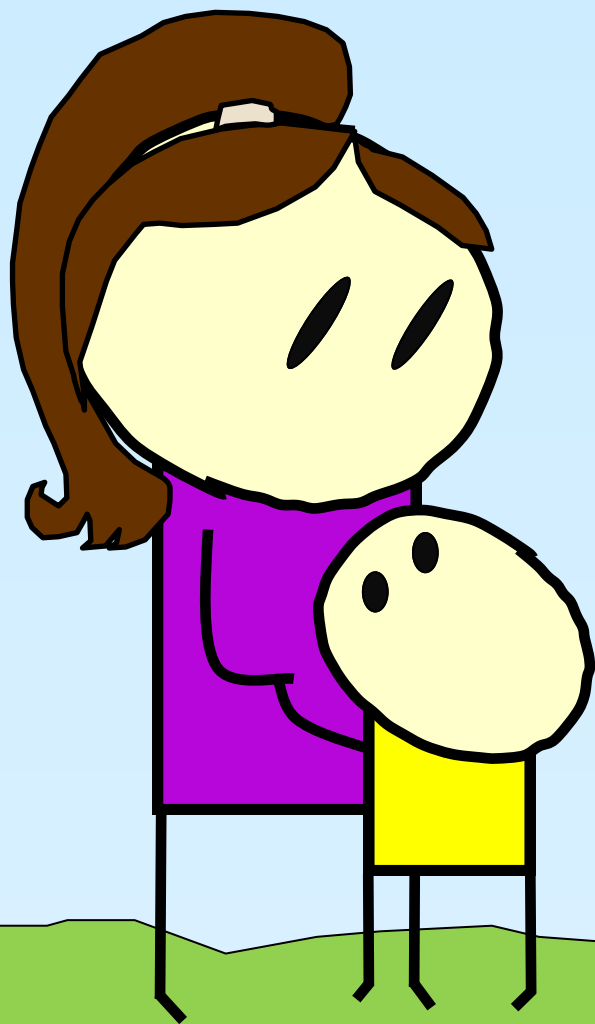

My sister Clara is my  
best friend

Even though she  
scares me sometimes

And sometimes she  
scares herself

I wouldn't

have her

any other way
